Distant Sun Crowded House

Tell me all the things you would change C F
I don't pretend to know what you want Am D
When you come around and spin my top F
Time and again, time and again
C F

No fire where I lit my spark
C F
I am not afraid of the dark
Am
Where your words devour my heart
F
And put me to shame, put me to shame

When your seven worlds collide

F G C

Whenever I'm by your side

G Dm7

And dust from a distant sun

F G C

Will shower over everyone

CFCF

You're still so young to travel so far C Old enough to know who you are Am D Wise enough to carry the scars F E7 Without any blame, there's no one to blame

C
It's easy to forget what you learned C
Waiting for the thrill to return
Am
Peeling your desire burn
F
And drawn to the flame

When your seven worlds collide

F G C

Whenever I'm by your side
G Dm7

And dust from a distant sun
F G C

Will shower over everyone

And dust from a distant sun F G Will shower over everyone

Am
And I'm lying on the table
F
Washed out in a flood
Am
F
Like a Christian fearing vengeance from above
Am
I don't pretend to know what you want

But I offer love
F G C

G Dm7
Seven worlds collide
F G C
Whenever I'm by your side
G Dm
And dust from a distant sun
F G C
Will shower over everyone
G And dust from a distant sun
F G C
Will shower over everyone
