For simplicity I use C9 where the chord is actually Bb6-5 (ie. Bb6 with a flattened 5th).  
 On the lyric "sometime", you can play the riff below.

	Bb6		C9
A	1-----	----	(1)
E	1-----	--1-	(0)
C	2-----	-2--	(2)
G	0-----	----	0-

Sometime
