 How about we just forget the home improvements

D D G C G  
 Just stop a while and leave things as they are

D D G C Em  
 How about we go and live in Barcelona

D D G C G  
 All Gaudi boys and girls in tapas bars

D D G C G D  
 (Those girls in tapas bars)

G C G D G C G D

D D G C Em  
 How about we eat our dinner round the table

D D G C G  
 And throw the television down the stairs

D D G C Em  
 Take it in turns to tell each other fables

D D G C G  
 Talk only of the things for which we care

D CM7 Bm7  
 It's now got to the point of most resistance

D C D  
 Where it feels like we've been here once before

D Em C  
 And therein lies the rub

D G D  
 We can't stop working

D Em C  
 We've gone out and we've bought stuff

D G  
 We've gone out and we've bought this stuff

D  
 Now we've got to pay it back

G C G D G C G D  
 We've got to pay it back

D G C Em  
 How about we grab a boat and row the river

D D G C G  
 Let's drink the wine and sleep beneath the stars

D D G C Em  
 Dare we remove the children from their school

D D G C G  
 Drive right around the rim of Australia

D CM7 Bm7  
 It's now got to the point where we don't care to

D C D  
 Read any of the papers any more

D CM7 Bm7  
 It's all full up with stuff that's plainly pointless

D C D  
 You read it and you break out in cold sores

D G C Em  
 How about we take the long slow boat to Buka

D D G C G  
 And build a little hut down on the beach

D D G C Em  
 Make a business out of working sundry exports

D D G C G  
 Phone message says that we are out of reach

D Em C  
 And therein lies the rub

D G D  
 We can't stop working

D Em C  
 We've gone out and we've bought stuff

D G  
 We've gone out and we've bought this stuff

D Em C  
 And therein lies the rub

D G D  
 We can't stop working

D Em C  
 We've gone out and we've bought stuff

D G  
 We've gone out and we've bought this stuff

D  
 Now we've got to pay it back

G C G D G  
 We've got to pay it back

C G D G C  
 We've got to pay it back right now

G D G  
 We've got to pay it... back
