

I Remember When I Was Young

Matt Taylor/Chain

Well I remember when I was young the world had
 just begun and I was happy
 I used to wonder about the Earth and how it moved
 around the sun so snappy
 Imagination going wild makes a very backward
 child they told me
 So back at school I'd sit around just waiting for the
 sound so I could go on home

C7
 Sometimes I think about it
 It happens every day
D7
 I should think of the present
 Cause the present's now

Well I remember when I was young how one and
 thruppence got you to the movies
 To look tough we'd light a smoke and very nearly
 choke but we had a real good time
 Growing older meant you'd get to fly a saber jet and
 fight a few wars
 So I'd just sit there all day and let my mind decay
 something awful

C7
 Sometimes I think about it
 It happens every day
D7
 I should think of the present
 Cause the present's now

Well I remember when I was young I had a secret
 love who never knew it
 I'd do tricks upon my bike they'd never turn out
 right, I always blew it
 And the day we had to part, I had a broken heart but
 couldn't let on
 So I spent my holidays just thinking of the ways I
 must have gone wrong

C7
 Sometimes I think about it
 It happens every day
D7
 I should think of the present

Well I remember when I was young the Beatles
 turned me on they really blew my mind
 And with Kerry, Jack and Pam we'd go and watch a
 band and have a real good time
 Then I heard the black man's blues they really blew
 a fuse inside my head
 So with some friends we made a stand and formed
 our first blues band, it was a real good thing.

Well I remember when I was young, I remember
 when I was young, I surely do
 Well I remember when I was young, I remember
 when I was young, I surely do
