

Let Me Be There

John Rostill (for Olivia Newton John)

Wherever you go wherever you may wander in your
 C F C
 life

Surely you know I'll always wanna be there

Holding your hand and standing by to catch you

when you fall
 C C G C FC C
 Seeing you through in everything you do

Let me be there in your morning let me be there in
 C F
 your night

Let me change whatever's wrong and make it right

Let me take you through that wonderland that only
 C D G
 two can share

All I ask you is let me be there

Watching you grow and going through the changes
 C F C
 in your life

That's how I know I'll always wanna be there

Whenever you feel you need a friend to lean on,

here I am
 C G C FC C
 Whenever you call you know I'll be there

Let me be there in your morning let me be there in
 C F
 your night

Let me change whatever's wrong and make it right

Let me take you through that wonderland that only
 C D G
 two can share

All I ask you is let me be there

Let me be there in your morning let me be there in

 your night

Let me change whatever's wrong and make it right

Let me take you through that wonderland that only

All I ask you is let me be there
