

# The Love Cats

## The Cure

Am F Am F

We <sup>Am</sup>move like cagey tigers  
 We <sup>F</sup>couldn't get closer than this  
 The <sup>Am</sup>way we walk, the way we talk  
 The <sup>F</sup>way we stalk, the way we kiss  
 We <sup>Am</sup>slip through the streets while everyone sleeps  
 Getting <sup>F</sup>bigger and sleeker and wider and brighter  
 We <sup>Am</sup>bite and scratch and scream all night  
 Let's <sup>F</sup>go and throw all the songs we know

<sup>C</sup>Into the sea, you and me  
 All these <sup>Dm</sup>years and no one heard  
 I'll <sup>C</sup>show you in spring it's a treacherous thing  
 We <sup>Dm</sup>missed you hissed the <sup>Am</sup>lovecats

<sup>Am</sup>(Ba ba da ba ba ba da)  
 We <sup>F</sup>missed you hissed the lovecats(Ba ba ba ba ba  
 ba ba da)

<sup>Am</sup>(Ba ba da ba ba ba da)  
<sup>F</sup>(Ba ba ba ba ba ba da)

We're <sup>Am</sup>so wonderfully wonderfully wonderfully  
 wonderfully <sup>F</sup>pretty  
 Oh you <sup>Am</sup>know that I'd do anything for you <sup>F</sup>  
 We should <sup>Am</sup>have each other to tea huh?  
 We should <sup>F</sup>have each other with cream  
 Then <sup>Am</sup>curl up by the fire and sleep for a while  
 It's <sup>F</sup>the grooviest thing, it's the perfect dream

Repeat Chorus

Repeat Verse

<sup>Em</sup>Hand in hand is the only way to land  
 And <sup>F</sup>always the right way round  
 Not <sup>Em</sup>broken in pieces like hated little meeces  
 How <sup>F</sup>could we miss someone as dumb as this <sup>Am</sup>

<sup>Am</sup> F <sup>Am</sup> F  
<sup>Am</sup>(Ba ba da ba ba ba da)

<sup>F</sup>We missed you hissed the lovecats(Ba ba ba ba ba  
 ba ba da)

<sup>Am</sup>(Ba ba da ba ba ba da)

<sup>F</sup> I love you, let's go(Ba ba ba ba ba ba da)

<sup>F</sup> Oh ... solid gone ... <sup>Am</sup> <sup>F</sup>

<sup>Am</sup>(Ba ba da ba ba ba da)

<sup>F</sup>We missed you hissed the lovecats(Ba ba ba ba ba  
 ba ba da)

<sup>Am</sup>(Ba ba da ba ba ba da)

<sup>F</sup>We missed you hissed the lovecats(Ba ba ba ba ba  
 ba ba da)
