Al 7-- --87   |         |         | 10

```

**C7sus4** **C**  
I don't want to say I love you  
**C7sus4** **C**  
That would give away too much  
**Am** **E7** **C** **E7**  
Hip to be detached and precious  
**Am** **E7** **D**  
The only thing you feel is vicious

**C7sus4** **C**  
I don't wanna say I want you  
**C7sus4** **C**  
Even though I want you so much  
**Am** **E7** **C** **E7**  
It's wrapped up in conversation  
**Am** **E7** **D**  
Whispered in a hush

**F**  
Though I'm frightened by the word  
**G7**  
Think it's time that it was heard

**C** **F**  
No more empty self-possession  
**C** **Gm7**  
Vision swept under the mat  
**G#** **Bb**  
It's no new years resolution  
**C**  
It's more than that

**C7sus4** **C**  
Now I wake up happy  
**C7sus4** **C**  
Warm in a lovers embrace  
**Am** **E7** **Am** **E7**  
No one else can touch us  
**Am** **E7** **D**  
While we're in this place

**F**  
So I sing it to the world  
**G7**  
Simple message to my girl

**C** **F**  
No more empty self-possession  
**C** **Gm7**  
Vision swept under the mat  
**G#** **Bb**  
It's no new years resolution  
**C**  
It's more than that

```

      C7sus4   C7sus4
      | C       | C
Al 7-- --87   | 023 57 53--- 023 57 5
El -8- 68--   |
Cl --7  ----   |
  
```

**F**  
Though I'm frightened by the word

**G7**  
Think it's time that it was heard  
**F**  
So I sing it to the world  
**G7**  
Simple message to my girl

**C** **F**  
No more empty self-possession  
**C** **Gm7**  
Vision swept under the mat  
**G#** **Bb**  
It's no new years resolution  
**C**  
It's more than that

**C** **F**  
No there's nothing quite as real  
**C** **Gm7**  
As a touch of your sweet hand  
**G#** **Bb**  
I can't spend the rest of my life  
**C**  
Buried in the sand
