

My Island Home

Warumpi Band (Neil Murray)

Six years I've been in the desert
 And every night I dream of the sea
 They say home is where you find it
 Will this place ever satisfy me

For I come from the salt water people
 We always live by the sea
 Now I'm out here west of Alice Springs
 With a wife and the family

Chorus

and My island home My island home
 My island home is waiting for me
 My island home My island home
 My island home is waiting for me

Bridge

In the evening the dry wind blows
 From the hills and across the plain
 I close my eyes and I am standing
 In a boat on the sea again
 And I'm holding that long turtle spear
 And I feel I'm close now to where it must be
 My island home is waiting for me

For I come from the salt water people
 We always live by the sea
 My island home My island home
 My island home is waiting for me

Repeat Bridge

My island home My island home
 My island home is waiting for me
 My island home My island home
 My island home My island home

My island home My island home
 My island home My island home

My island home My island home
 My island home My island home

My island home
