I see you, you see me
 Watch you blowin the lines when you're making a
 scene

Oh girl, you've got to know
 What my head overlooks the senses will show to my
 heart

When it's watching for lies
 You can't escape my

Private eyes (clap)
 They're watching you (clap clap)
 They see your ev-ry move
 Private eyes (clap)
 They're watching you (clap clap)
 Private eyes
 They're watching you watching you watching you

You play with words you play with love
 You can twist it around, baby that aint enough
 Cause girl I'm gonna know
 If you're letting me in or letting me go don't lie
 When you're hurting inside
 You can't escape my

Private eyes (clap)
 They're watching you (clap clap)
 They see your ev-ry move
 Private eyes (clap)
 They're watching you (clap clap)

Private eyes
 They're watching you watching you watching you
 watching you

 I'm a spy but on your side you see
 Slip on, into any disguise, I'll still know you
 Look into my
