

Still The One

Johanna and John Hall

C
We've been together since way back when
Sometimes I never want to see you again
F **G**
But I want you to know after all these years
F **G**
You're still the one I want whisperin' in my ear

Am **D**

F **G** **C**
We're still having fun and you're still the one

But I never saw it 'til I went away
