Here in the hush of evenin' on a night in June
             C   **G**
Over–hearin' conversations, bayin' at the moon
           E7   **F**   **D**
And suddenly a voice I'm hearin's sweet to my ear
      C   **D**
This is tomorrow callin'
        G   **C**
Wishin' you were here

G   **C**   **G**
Layin' in my motel bedroom, feelin' ceiling blues
          C   **G**
Wall to wall a TV's twitchin, clearly not a muse
          E7
Then flashin' thru the interference beams a thousand
                 F   **D**
                 tunes
      C   **D**
This is tomorrow callin'
        G   **C**
What have I to lose

Truckin' by the railway station, I'm on the road again
            C   **G**
Steerin' clear of all temptation, unto the point of pain
            E7
When steamin' thru on cue I hear that wailin' whistle
                 F   **D**
                 blow
      C   **D**
If this is tomorrow callin'
        G   **C**

Day to day you live old fashioned, high toned fancy
                     G
                     free
           C   **G**
A double take an image–spittin', tailored to a T
         E7   **F**   **D**
While history is tellin' you, the same old thing

      C   **D**
This is tomorrow callin'
        G   **C** **A**
Lets stick a new oar in

      C   **D**
This is tomorrow callin'
        G   **C**
Y'all 'n come on in
