

This Old Love

Lior

C6 CM7 Fadd9 Eb Fadd9 C

C6 CM7
Yes, yeah we're movin' on
Fadd9
Looking for direction
Eb Fadd9 C
Mmm mm we've covered much ground
C6 CM7
Thinking back to innocence
Fadd9
I can no longer connect
Eb Fadd9 C
I don't have a heart left to throw around

Am Fadd9
Oh, and time moves on like a train
Em F G
That disappears into the night sky
Am Em Am
Yeah, I still get a sad feeling inside
F Dm G
to see the red tail lights wave goodbye

C6 CM7
But we'll grow old together
DH7 F
We'll grow old together
C6 CM7
And this love will never
DH7 F
This old love will never die

C6 CM7 Fadd9 Eb Fadd9 C

C6 CM7
Well money slips into your hands
Fadd9
And then slips out like it was sand
Eb Fadd9 C
And those shoes that you could never seem to fill
C6 CM7
I've chased so much and lost my way
Fadd9
Maybe a face for every day
Eb Fadd9 C
That so casually slipped me by

Am Fadd9
Oh, and time moves on like a train
Em F G
That disappears into the night sky
Am Em Am
Yeah, I still get a sad feeling inside
F Dm G
to see the red tail lights wave goodbye

C6 CM7
But we'll grow old together
DH7 F
We'll grow old together
C6 CM7
And this love will never
DH7 F
This old love will never die

Asus4
Morning comes
E7
Sometimes with a smile

Am G Fadd9
Sometimes with a frown
Asus4 E7
Yeah so I never want to worry
Am G Fadd9
If you're gonna stay a - round

C6 CM7
So let's grow old together
DH7 F
We'll grow old together
C6 CM7
And this love will never
DH7 F
This old love will never die

C6 CM7 Fadd9 Eb Fadd9 C
