

# Throw Your Arms Around Me

## Mark Seymour

I will <sup>D</sup> come for you at night time <sup>G</sup>  
 I will <sup>D</sup> raise you from your sleep <sup>A</sup>  
 I will <sup>D</sup> kiss you in four places <sup>G</sup>  
 As I go <sup>D</sup> running along your street <sup>A</sup>  
 I will <sup>D</sup> squeeze the life out of you <sup>G</sup>  
 You will <sup>D</sup> make me laugh and make me cry <sup>A</sup>  
 And we will <sup>D</sup> never forget it <sup>G</sup>  
 You will <sup>D</sup> make me call your name <sup>A</sup>  
 And I'll <sup>G</sup> shout it to the blue summer sky <sup>A</sup>

And we may <sup>D</sup> never meet again <sup>G</sup>  
 So shed your skin and let's get started <sup>A</sup>  
 And you will <sup>D</sup> thro-ow your arms around me <sup>G</sup> <sup>A</sup>  
 Yes, you will <sup>D</sup> thro-ow your arms around me <sup>G</sup> <sup>A</sup>

I <sup>D</sup> dreamed of you at night time <sup>G</sup>  
 And I <sup>D</sup> watched you in your sleep <sup>A</sup>  
 I met you in high places <sup>G</sup>  
 I touched your head and touched your feet <sup>A</sup>  
 So if you <sup>D</sup> disappear out of view <sup>G</sup>  
 You know I will <sup>D</sup> never say goodbye <sup>A</sup>  
 And though I <sup>D</sup> try to forget it <sup>G</sup>  
 You will <sup>D</sup> make me call your name <sup>A</sup>  
 And I'll <sup>G</sup> shout it to the blue summer sky <sup>A</sup>

And we may <sup>D</sup> never meet again <sup>G</sup>  
 So shed your skin and let's get started <sup>A</sup>  
 And you will <sup>D</sup> thro-ow your arms around me <sup>G</sup> <sup>A</sup>  
 Yes, you will <sup>D</sup> thro-w your arms around me <sup>G</sup> <sup>A</sup>
