

# Undecided

## Sid Robin and Charlie Shavers

**G**  
 First you say you do  
 And then you don't  
**Gdim**  
 And then you say you will  
 And then you won't  
**Am**  
 You're undecided now  
**Adim** **G**  
 So what are you gonna do?

**G**  
 Now you want to play  
 And then it's no  
**Gdim**  
 And when you say you'll stay  
 That's when you go  
**Am**  
 You're undecided now  
**Adim** **G**  
 So what are you gonna do?

**Dm7** **G7**  
 I've been sitting on a fence  
**Dm7** **G7**  
 And it doesn't make much sense  
**CM7** **Am7**  
 'Cause you keep me in suspense  
**CM7** **Am7**  
 And you know it  
**Em7** **A9**  
 Then you promise to return  
**Em7**  
 When you don't  
**A9**  
 I really burn  
**D7**  
 Well, I guess I'll never learn  
**Daug**  
 And I show it

**G**  
 If you've got a heart  
 And if you're kind  
**Gdim**  
 Then don't keep us apart  
 Make up your mind  
**Am**  
 You're undecided now  
**Adim** **G**  
 So what are you gonna do?
